## REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The Examiner agrees with Applicant's arguments on page 3 of the response dated 4/11/07, specifically:

"However, nowhere does Asselin teach or disclose an inlet cap body having an outer cap enclosing an inner cap, as recited in claims 1, 19, 40. Additionally, Asselin does not teach or disclose an inlet cap and a cap heat shield enclosing the inlet cap or a conduit heat shield enclosing the scavenge conduit so as to block thermal radiation from the engine casing, as recited in claims 23 and 26, respectively. Moreover, Asselin does not teach or disclose a low-conductivity insulator disposed between said cap base and the engine casing, as recited in claim 29."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
